

PTP Quarterly Tax Update At Emirates Old Trafford

Old Trafford

Date

7 March 2017

Location

Press Lounge

Delegates

50+

Overview of the event

PTP provide CPD training to accountants, tax advisers and lawyers. As well as running public courses in venues across the UK, PTP also provide in-house courses and online video training.

Expert presenters design and deliver training covering tax, accounting and anti-money laundering, delivered in a format that helps professionals help their clients. The courses give delegates confidence and keep them up-to-date with all the technical, legal and procedural developments which affect the sector.

PTP focuses on current issues affecting accounting and tax advisers, ensuring they receive relevant news and tips in an easy to understand format.

Emirates Old Trafford is a great venue. Easy to park, well sign posted, good catering and well-presented rooms and facilities. This is our second year here and we hope to use Emirates Old Trafford for many years to come.

Giles Mooney
Managing Director, PTP Ltd

The Brief

PTP required a high-end venue in a great location to host its Quarterly Tax Update. They needed a suite with good space that was filled with natural daylight and the facilities to meet the requirements of the course they were delivering.

With more than 50 delegates from across Manchester and the wider North West, PTP needed a venue that could offer ample parking and easy access via for delegates travelling via car and public transport.

When searching for a venue, PTP also required somewhere that was able to offer quality catering and refreshments in order to keep delegates focused and inspired throughout the day.

Results

PTP held a successful training course in the Press Lounge at Emirates Old Trafford and both PTP and the delegates were thrilled with the venue and the facilities on offer throughout.

One delegate commented "A well presented and excellent course in a venue with great parking and amazing facilities inside and out".

PTP continue to hold regular training courses at Emirates Old Trafford including their Annual Accounting Update which was held in May 2017 and also their next Quarterly Tax Update being held in September 2017.
