Pete and Abby were looking for the perfect venue to host their wedding just as the Courteeners announced their headline show here at Emirates Old Trafford.

As super fans, Pete and Abby knew that not only was Emirates Old Trafford the perfect venue to host their guests for this special day but that they would hold their reception during the amazing show.

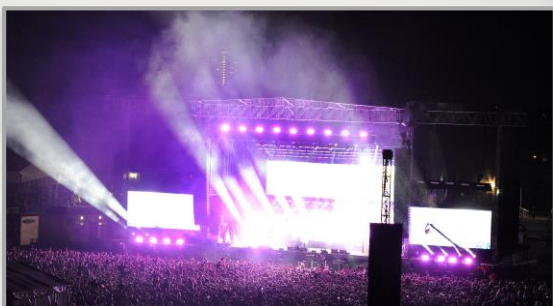

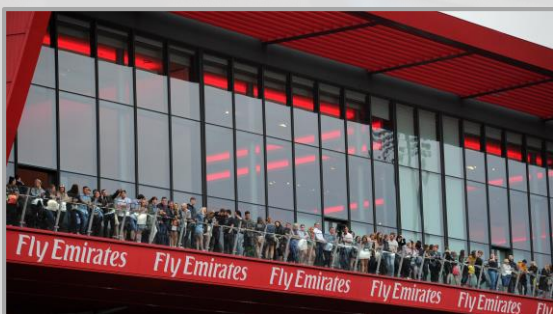

Having held the ceremony in the morning at Trafford Town Hall the happy couple made the short trip across to Emirates Old Trafford to hold a truly unique ceremony with the ultimate wedding entertainment.

The couple and their guests had access to a private suite with views of the stage.

*“ Music is part of Manchester. Going to gigs is what you do with friends and family and can be the best nights of your life so it was the perfect idea for our wedding too. The whole experience was fantastic, everyone we worked with at Emirates Old Trafford was incredible. We're so grateful to them for helping us have the most perfect and totally unique day. ”*

## The Brief

Pete and Abby needed a venue that could accommodate their 70 guests in style which had fantastic catering, great facilities and that was easy to get to and from Manchester City Centre and the surrounding area via car and local transport.

Proximity to Trafford Town Hall was also a must as this was the location for the couple's wedding ceremony meaning their guests had to be able to easily make their way to the reception.

As big music fans the happy couple wanted to hold their wedding reception here at Emirates Old Trafford upon hearing the news that the Courteeners would be headlining at the venue.

## Results

Emirates Old Trafford was able to accommodate both a sold out concert and a wedding reception not only on the same day but simultaneously.

Pete and Abby wed at Trafford Town Hall before crossing the road to host their reception in the stunning Mezzanine Bar of The Point. And being just a three mile drive from the city centre or ten minutes by tram, the venue was the perfect location for all.

Guests enjoyed high quality, first class facilities and catering as well as an incredible performance by the Courteeners from The Points private balcony. A totally unique wedding!
