

Asian Wedding Planning Checklist

Your wedding is the most important day of your life, but it should be the most enjoyable one, as well!

The Emirates Old Trafford Events Team is here to help with the task of arranging a multi-cultural wedding, with our handy checklist.

Are you arranging a Sikh, Muslim or Hindu wedding?

Will you be going down the traditional route or looking for a 'cultural fusion'?

What colour scheme will you be choosing?

These are just a number of questions running around brides' heads, so we've come up with a handy little checklist, to help you remember all the little details and keep you one step ahead of the organisation game!

How many celebrations will you have?
